## This half term will focus on Peace

In the Bible, peace encompasses both inner tranquillity and external harmony, stemming from Shalom (a Hebrew word for wholeness and completeness) and offered as a gift from God through Christ. It is characterized by God's blessing and presence, found in a restored relationship with Him and in reconciling broken relationships with others. Believers are called to be peacemakers, cultivating a state of well-being through prayer, thankfulness, and reliance on God's peace that surpasses understanding.

### **Romans 15:13:**

*"May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit".*
