

Sculpture and 3D – Paper Play!

Year 1

Technical
Vocabulary

cylinder

sculpture

overlap

spiral

zigzag

What do I already have in
my long term memory?

Year R

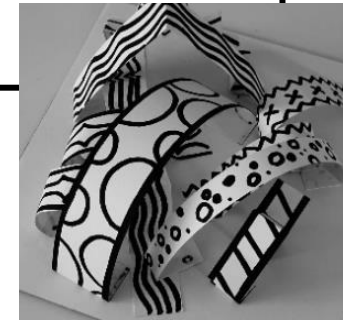

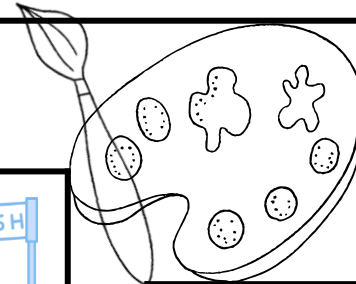

Techniques practiced when junk
modelling in the **Let's Celebrate**
unit and when making bug hotels.
Colour-mixing when exploring
people who help us.

Unit Outcome/
End point

To create a 3D structure and apply painting
skills in three-dimensional art

Curious Question

How can we use paper-based 3D art forms to
construct an imaginative sculpture in the style
of Louise Bourgeois?

By the end of this unit I will understand

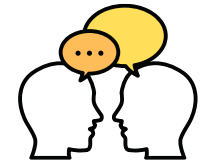

FINISH

How to roll paper tubes and attach them to a base securely and in an interesting way to
add interest.

How to make choices about my sculpture

How to shape paper strips in a variety of ways to make 3D drawings.

Explain this process to your
partner
